2455. SHRI BACHANI LEKHRAJ:
PROF. ALKA BALRAM KSHATRIYA:
DR. A.K. PATEL:

Will the Minister of ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) whether it is a fact that though Gujarat has 25 per cent of the country's coast line with many ports, the coastal highways along this coast has not been upgraded to National Highway;

(b) if so, the reason therefor;

(c) whether Government consider the necessity of upgrading the coastal highways of Gujarat from the defence point of view;

(d) if so, the time-frame for the purpose; and

(e) what consideration has been made in respect of the State Government's proposal for upgradation of 13 State Highways totalling 2800 Kms. on priority?

THE MINISTER OF STATE OF THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS [MAJ. GEN. (RETD.) B.C. KHANDURI]: (a) and (b) The declaration of any road as National Highway depends not only on the consideration that it runs along with coast but on several other considerations including traffic needs, inter-se priority on all India basis and availability of resources. Notwithstanding the above, a length of approximately 362 kms. running along the coast line in Gujarat has already been converted into National Highway.

(c) At present there is no such proposal.

(d) Does not arise.

(e) All the proposals for conversion of State Highways into National Highways have been returned to the State Government of Gujarat. Presently there is a ban on declaration of new National Highways due to fund constraints. The Government may, however, consider conversion of very limited lengths of a few State Highways into National Highways during the course of the 10th Five Year Plan, keeping in view the traffic needs, inter-se priority and availability of funds, after the ban is lifted.
